Dear Stony Creek Church Family,

As you may know, our senior pastor, Randy Rheame, has tested positive for COVID-19. Some others at our church have the virus as well.

In light of this and the recent developments in Michigan and our county concerning COVID-19, **we will be meeting ONLINE ONLY for church on Sundays (11/22 & 11/29) at 10:00AM & 11:30AM.** Join us on [Facebook](#) or our [YouTube](#) channel at these times or our [podcast](#) shortly after. We will reevaluate at the end of this month to determine if we should start the live services in December.

All other physical gatherings at our building (of 10 people or more) will be suspended through the end of the month. This includes our final Connection Night of the season scheduled for this Wednesday (11/18). The elders and staff will be re-evaluating each week. Please join us in praying for God's guidance in every step.

The pastoral staff continues to work on creative ways (beyond the Sunday service online) to keep us connected and growing in Christ and in his community during these next couple weeks. Watch for updates!

- Jodie Slongo will be communicating plans for families with young kids.
- Ken Leslie will be communicating the plan for the student ministry.
- Andy Barba will be equipping small group leaders to keep their groups connected.
- Everyone is encouraged to work hard to remain connected even when we are physically apart.

Some Examples:

1. Reach out to people in your small group or around the church to encourage them and to see if they need help.
2. Pray daily for the revival during this time.
3. Get into the Bible daily.
4. Tune in for Sunday services online with the whole family.
5. Engage in the kids' ministry, student ministry, and small group ministry connection options when available.
6. Reach out to people outside the church in your neighborhood to help, to encourage, and even to share the Gospel.

We will send updates through the prayer letter distribution list and on Facebook.

God Bless,

Rev. Chris Bourdeau
Executive Pastor
